

LUNCHTIME SEMINAR

FEATURING: Dr. Stephen Covey

Unleashing Human Potential

DR. STEPHEN R. COVEY is cofounder/vice-chairman of Franklin Covey Company, a leading global professional services firm. Dr. Covey is perhaps best known as the author of The 7 Habits of Highly Effective People, which is ranked as a No. 1 best-seller by the New York Times, having sold more than 13 million copies in 36 languages throughout the world.

Would you say that the vast majority of people in the workplace possess far more creativity, resourcefulness, ingenuity, intelligence, and talent than their jobs require or even allow? 90-plus percent of hundreds of thousands of people surveyed in organizations around the world say "Yes".

You'll Learn:

- How many managers and organizations unknowingly stifle their people.
- How to unleash the power of human potential by "Cracking the Code" of what truly drives individuals and inspires passion and productivity within them.
- How to renew your leadership role and gain better understanding of its impact on your organization.
- How to understand the four critical roles of a leader: pathfinding, aligning, empowering, and modeling.
